transnational organized crime an pdf

Transnational organized crime (TOC) is organized crime coordinated across national borders, involving groups or networks of individuals working in more than one country to plan and execute illegal business ventures. In order to achieve their goals, these criminal groups use systematic violence and corruption.

Bookreviews 60 academic and journalistic books on organized crime and related topics, addressing different events, persons and structures in various countries, are reviewed from an organized crime researcher's perspective.

Organized Crime Research

Organized crime is a category of transnational, national, or local groupings of highly centralized enterprises run by criminals who intend to engage in illegal activity, most commonly for money and profit.

Organized crime - Wikipedia

The notion of "models of organized crime" has in the past been most closely linked to a threefold classification proposed by Jay Albanese (1989: 91-102; 1994), who distinguishes a "hierarchical model", a "patron-client model" and an "enterprise model" of organized crime.
