Abstract. This introduction to a collection of Australian writing from the 1890s surveys the ways in which Australian literature responded to a set of social, cultural, and political problems that were typical of the empire and yet richly inflected by local experience.

Introduction [to Turning the century: writing of the 1890s

The essays in Turning the Century make a significant contribution to our understanding of America's love affairs with novelty and the mass media. The essays also show that neither the current communications revolution nor the response to it is unprecedented. Through this book, Carol Stabile provides a historical context within which scholars and students of American culture can interpret and ...
