This thought-provoking examination of crime and criminological theory takes a direct approach to a question that often confuses and frustrates students why do people commit crimes? UNDERSTANDING CRIME begins with an overview of the key elements of the study of crime and criminology, including law, public policy, research literature, and the philosophical origins of crime theories. These theories, based in biology, psychology, and sociology, are then broken down to their basic elements and ...

Understanding Crime: Essentials of Criminological Theory

Understanding Crime and Criminals INTRO Edwin Sutherland, regarded by many as a founding figure in American criminology, said that crime's "essential characteristic" is that it is behavior which is prohibited by the State as an injury to the State and against which the State may react by punishment. This is a legalistic perspective, As the word implies, criminology is clearly ...
