It is not clear whether these statistics include facilities at public hospitals, or whether it is assumed that such facilities exist there and that what was being addressed was the extent of the facilities at places other than hospitals.

Minister of Health and Others v Treatment Action Campaign

Nevertheless, what we call "life" is sufficiently important to warrant an attempt at a definition. We can begin by listing some of the things that living things can do, and nonliving things cannot do, and see if we end up with a satisfactory distinction for this particular twofold division of the Universe.
