### **Video Game Addiction - Addiction Treatment**

For many, the concept of video game addiction seems far-fetched particularly if their concepts and definitions of addiction involve the use of drugs.

### **(PDF) Diagnosis and management of video game addiction**

As with gambling addiction, video game addiction is a clinical impulse control disorder. According to psychiatrist Michael Brody, MD, the criteria for video game addiction is the same as that for addiction to a substance. In both cases, the person requires more of the source as time goes on and becomes irritable and despondent when they cannot access it. In fact, video game addicts can even ...
