is hymnal is a part of the Open Hymnal Project to create a freely distributable, downloadable database of Christian hymns, spiritual songs, and prelude/postlude music. I am doing my best to create a quality product that is "Hymnal-quality", and could feasibly be used as the basis for a printed church hymnal. This music is to be distributed as complete scores (words and music), using all ...

We have linked to relevant EU guidelines throughout the Guide to GDPR. We produced many guidance documents on the previous Data Protection Act 1998. Even though that Act is no longer in force, some of them contain practical examples and advice which may still be helpful in applying the new legislation.
