The documentary Overdrawn! explores the ways that major national banks practice predatory lending, particularly in the form of overdraft fees. Since its 2007 release, things have changed at least somewhat for the better.

Do Banks Trap You Into Overdraft Fees

Inventory still remains near record lows. This is a problem for those looking to buy especially when people are competing with investors, foreign money, and house lusting individuals that simply don't want to wait any longer even if it means buying a crap shack.
